

PLUMPTON COLLEGE at Flimwell

Emergency First Aid at Work

5 May 2011

Plumpton College

Emergency First Aid at Work

This one day course organised by Woodnet and Plumpton College at Flimwell is aimed at those working in woodlands, countryside management and related activities.

The course delivers the HSE one-day Emergency First Aid at Work course with a certificate valid for three years.

Additional course notes and exercises focus on areas related to woodlands and countryside. The course is run by Vital First Aid Limited.

The next course is **Thursday 5 May 2011**, 9.00 - 4.30 at the Woodland Enterprise Centre, Flimwell, East Sussex, TN5 7PR

The course fee is £100

If you work in farming, forestry or production horticulture in the South East, you may be eligible for a subsidised fee of £60 – please enquire when booking.
