Plumpton College

Introduction to Woodland Management

This one day course organised by Woodnet and Plumpton College at Flimwell is aimed at those new to woodland management. If you have recently bought or started to manage a wood, or are considering doing so, this course will provide an ideal introduction.

You will learn how to prepare a simple management plan based on your interests, where to seek further advice and support, and ways of carrying out work in the wood. The course, led by Tim Saunders of Rother Forestry, will comprise indoor presentation and discussion with outdoor sessions in the woods at Flimwell.

The next course is **Thursday 20 January 2011**
10.00 – 4.30 at the
Woodland Enterprise Centre, Flimwell
East Sussex, TN5 7PR.

Course fee £80

If you work in farming, forestry or production horticulture in the South East, you may be eligible for a subsidised fee of £24 – please enquire when booking.
